* Generic Drug – A generally less expensive alternative to an interchangeable brand-name drug product. Please note: Not all drugs have a generic equivalent. If a non-generic drug is purchased, payment will be based on the lowest generic drug cost equivalent. If no generic brand exists, payment of the brand-name price will be made at the co-payment level of your plan. Exclusions: smoking cessation drugs, over-the-counter drugs, birth control drugs, erectile dysfunction drugs, and drugs not requiring a prescription. Other exclusions apply, please consult your policy for details.

* Benefits are only payable after yearly maximums allowed under your provincial health insurance plan have been reached, if applicable. † Manulife cannot guarantee the availability of this benefit indefinitely.

Benefits payable are up to reasonable and customary charges. Anniversary year means the 12 consecutive months following the effective date of the agreement, and each 12-month period thereafter. Benefit year means the 12 consecutive months following the incurred date of the claim. Calendar year means each successive 12-month period commencing January 1 and ending December 31. All references to "year" refer to anniversary year. When it relates to Hearing Aids and Vision Care benefits, "year" refers to benefit year.
